ABOUT COMPANY

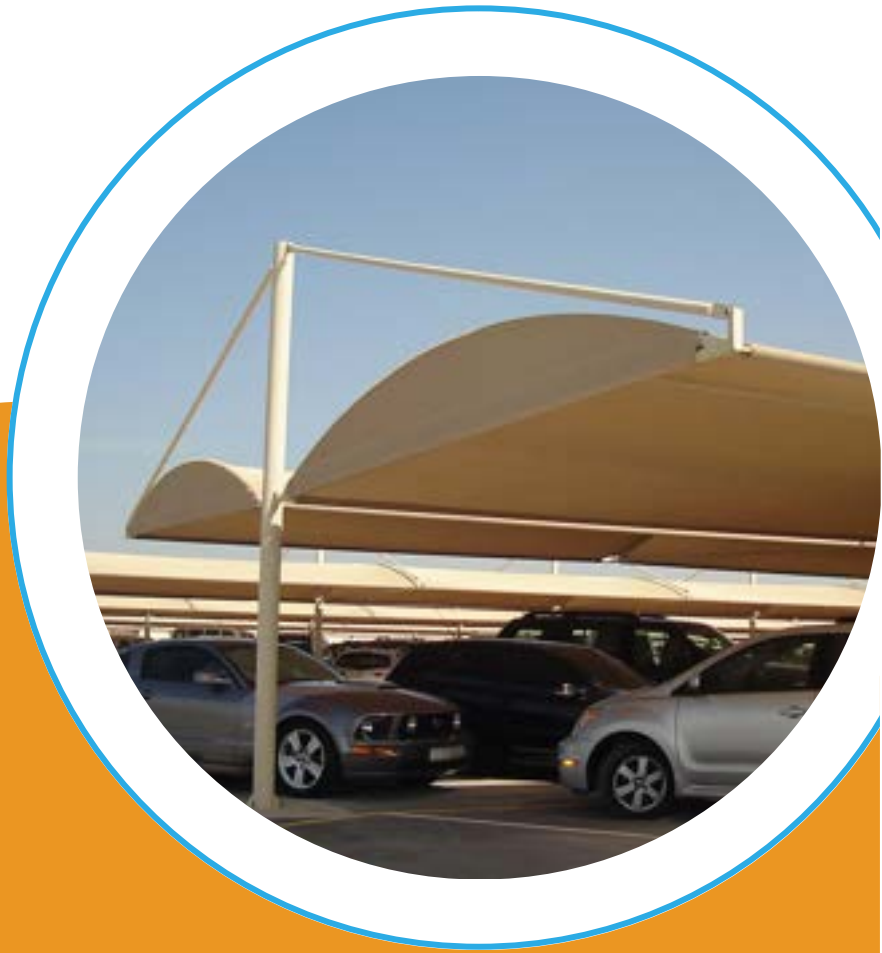

Al Mannai Shades is a prominent Qatari-owned and managed company that stands as an industry leader in the design, manufacturing, and installation of high-quality shades. With our unwavering commitment to excellence, we provide a wide range of shading solutions to meet the diverse needs of our customers.

Our expertise lies in crafting shade structures that are built to withstand the challenging weather conditions of Qatar. Whether it's scorching sun, strong winds, or heavy rain, our shades offer durable protection while maintaining their aesthetic appeal.

At Al Mannai Shades, we take pride in our meticulous attention to detail and the use of top-notch materials. Our skilled estimations, design, fabrication, and installation teams possess a combined trade experience of over 15 years. Their expertise ensures that every shade structure we create is of the highest quality and meets the exact requirements of our clients.

When you choose Al Mannai Shades, you can trust that you are partnering with a reputable company that delivers exceptional shades and unparalleled service. We are committed to creating the best and most beautiful shade structures that perfectly align with your vision, budget, and timeline.

VISION & MISSION

Vision

At Al Mannai Shades, our vision is to be the leading provider of high-quality shading solutions in Qatar. We strive to continuously innovate and exceed customer expectations by delivering aesthetically pleasing, durable, and functional shade structures that enhance outdoor spaces.

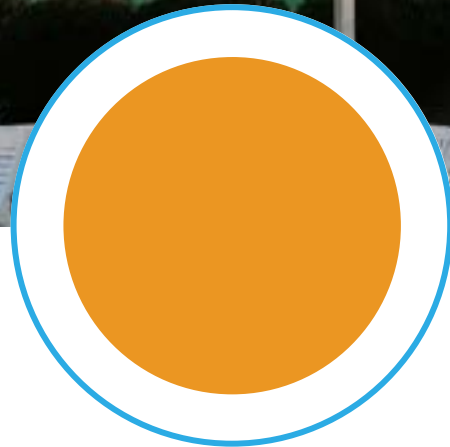

Mission

Our mission is to design, manufacture, and install shade solutions that offer superior protection from the elements while adding value and beauty to our customers' properties. We are committed to using the finest materials, employing skilled craftsmanship, and leveraging our expertise to create customized shading solutions tailored to meet the unique needs and preferences of each client.

We aim to provide exceptional customer service throughout the entire process, from the initial consultation to the final installation, ensuring that our clients' vision is brought to life with precision and efficiency. By offering affordable shading solutions without compromising on quality, we strive to make our products accessible to a wide range of customers in Qatar.

We are dedicated to fostering long-term relationships with our clients, suppliers, and partners based on trust, integrity, and mutual respect. Through continuous improvement and staying at the forefront of industry trends, we aim to remain at the forefront of the shading industry in Qatar and deliver exceptional value to our stakeholders.

10 YEARS WARRANTY

Giving you peace of mind and assurance
that you are investing in a reliable and
long-lasting shading solution.

MADE IN QATAR

AL Mannai Shades is a leader in commercial custom outdoor Shade structure, design , and fabrication. Our quality, In-house shade structures, and tentensile sails will provide lasting sun protection for any outdoor areas . our structures And sails are used all over Qatar to protect and shade . NOTE : We fabricate and install our own structures. You deal with just one person throughout the buying and installation process. The warranties, if any , are dealt with directly throught AL Mannai shades , not throught a third party vendor. We can beat any price. Just email us your existing quote/proposal so that we compare structure type and post Sizes. With our very competitive pricing . We will most certainly get you a better deal . We do our own installations for commercial projects throughout Qatar

DESIGN AND BUILD

We believe anything is possible . In fact , over 70 % of our projects are a custom design and build solutions , which gave our team huge experience in creating unique bespoke sunshades to meet our customers ' specific needs . Our past projects include from the design of large span shade structures to keeping play equipment cool for children at a school in Al Khor to a custom design for the newly built coffee area a palace in West Bay Lagoon. We regularly work alongside architects and designers to create bespoke structures to meet specific requirements . Our structural design engineers can work from hand sketches or CAD drawings to create technical drawings in a range of formats with designs to meet European Code safety standards.

OUR SERVICES

TENSILE SUN SHADES

We specialize in designing, manufacturing, and installing high-quality tensile sun shades. Our expert team creates custom shade structures that offer optimal sun protection and add a touch of elegance to any outdoor space.

TENTS & CANOPY

Whether you need a temporary shelter for events, exhibitions, or outdoor gatherings, we provide tents and canopies that are durable, easy to set up, and available in various sizes and designs to suit your specific requirements.

CAR PARKING SHADES

Protect your vehicles from the harsh sun and keep them cool with our reliable car parking shades. We offer sturdy and aesthetically pleasing shade structures that provide effective coverage for parking lots, residential areas, commercial spaces, and more.

AWNING SHADE

Enhance the appearance and functionality of your property with our awning shades. Our customized awnings are designed to complement your architecture while providing shade and shelter for windows, balconies, patios, and outdoor seating areas.

ARCHITECTURAL UMBRELLAS

Add a touch of style and versatility to your outdoor spaces with our architectural umbrellas. We offer a range of umbrellas that combine functionality and aesthetics, providing shade solutions for restaurants, cafes, resorts, and other outdoor venues.
